

Certification of Security testing at WhistleB Whistleblowing Centre AB

Certification of Security testing at WhistleB Whistleblowing Centre AB

Web Application Security Testing

Outpost24 has, on behalf of WhistleB Whistleblowing Centre AB performed an one month (26th of February, 2020 to 27th of March, 2020) of Manual Penetration Tests.

The Manual Web Application Security Tests have been performed according to OWASP Top10 2017 in order to assist WhistleB Whistleblowing Centre AB in identifying vulnerabilities and misconfigurations of websites and applications. At the end of the assessment no vulnerabilities of severity high or medium were identified.

Karlskrona, Sweden, 04 May 2020

A handwritten signature in blue ink that reads "Nils Thulin".
